President Barack H. Obama  
The White House  
Washington, D.C. 20530

Dear Mr. President:

We of the Interfaith Coalition join the millions of supporters who rejoice in your reelection to a second term as President. We felt that same joy and hope when you were elected to your first term in office, and we submitted our first petition regarding the appalling plight and valid constitutional grievances of a highly educated immigrant, Dr. Amir Hussain Shervin. Our petition was attached to a 150 page volume of summaries, investigative reports, court orders, media publications, medical reports and other documents.

Sad to say, we received no response whatsoever. Nevertheless, we maintained our diligence and petitioned your office in 2010, 2011 and once again in early 2012 (copies attached). We did so because pursuant to nearly two decades of ongoing investigation, we continue to be convinced that Dr. Shervin's human, civil and constitutional rights were and continue to be violated. His major grievances are outlined in our petition.

With that in mind I am writing to make a simple request. The time is long overdue to right the injustices and subsequent suffering that have befallen Dr. Amir Hussain Shervin and his family. We stand as one in our support for this family and their courageous struggle, and we plea for some assistance from your office. We still believe that while there is life and breath, it is not too late to address these ongoing wrongs and make amends. We would welcome the assistance of anyone in the executive branch who could lead us to that end. God help us all if we cannot bring them some relief. God bless you and your family during this Holy Season.

Most respectfully,  
  
Rev. Robert J. Current
